AIR CLEAN

PRODUCT CODE	SUPCAS001
BARCODE	8054242082029
PRODUCT	Air Clean
TYPE	Air conditioner cleaning foam
INSTRUCTIONS FOR USE	Shake the can well before use. Turn off the appliance and apply the product to the surfaces to be treated from a distance of approximately 15–20 cm. Allow the foam to act for about 30 seconds, then remove any residue with a clean cloth. Repeat the operation if necessary.
SUITABLE FOR	Evaporator coils and filters
FEATURES	Its active formula penetrates between the evaporator fins, helping to remove dirt, dust and residue that may compromise system efficiency. The foam dissolves quickly, leaving a pleasant feeling of freshness and promoting better air circulation.
FRAGRANCE	Neutral, fresh and long-lasting
NUMBER OF APPLICATIONS	2–3 complete treatments
NET CONTENTS	400 ml
WEIGHT	0,50 kg
DIMENSIONS	20 x 6,5 cm
FORMAT	Aerosol can
CARTON	12 unit
CARTON BARCODE	18054242082026
